Siaqodb: NoSQL embedded database for .NET

<http://siaqodb.com>

Siaqodb: END-USER LICENSE AGREEMENT

READ CAREFULLY BEFORE INSTALLING THE SOFTWARE.

By installing the Siaqodb database engine software (hereinafter "the Software" or "Software"), you are accepting the following License Agreement.

1. DEFINITIONS

Software shall be defined as the computer program electronically obtained and/or contained in the disks or CD ROMs in this package, together with any updates subsequently called "Siaqodb Software" or "Software".

Licensee shall be defined as person, corporation or entity that has purchased the Software.

User shall be defined as any person that creates Developed Software.

Developed Software shall be defined as software applications developed using, and or containing, and or distributed with, Software by Licensee

2. LICENSE

CCSTM Computing LLC agrees to grant the User a non-exclusive and non-transferable license to use the Software sold to Licensee for an unlimited duration. The Software is licensed, not sold.

This agreement only gives you some rights to use the software. CCSTM Computing LLC reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement.

3. PERMITTED USES

Licensee may use Trial Edition of software for any number of users and develop software for testing purpose without any license.

All Developed Software build using a Trial Edition will expire at a fixed date based upon the trial period.

Licensed Software may be used by Licensees who have both commercial and noncommercial interest in building Developed Software.

4. RESTRICTIONS

Licensee must not redistribute the registration codes provided, neither on paper nor electronically.

Page	2 of 3									

Licensee may not reverse engineer copy, duplicate or distribute the license schema that is needed to use the SOFTWARE in a design, development or runtime environment. Licensee may not disassemble, decompile or reverse engineer the SOFTWARE or any portions of it. Licensee may not rent, lease, or lend the SOFTWARE.

Licensee may not install the Software into a VM with the purpose of allowing multiple developers to use the VM. Each developer requires a license per installation

5. DEPLOYMENT AND DISTRIBUTION

Developed Software designed for use by non-programmers that includes non-Trial Editions of Software binary files only may be freely distributed and require no additional licensing.

Users of Developed Software may not re-distribute Siaqodb Software without owning a proper license of Software.

6. NON COMPETE

Licensee may not use Software to create products, technologies, software applications in whole or in part, that directly compete with the Siaqodb database engine.

Competes is defined as creating or distributing software or services that provide similar or same functionality as Siaqodb database engine.

7. LIMITED WARRANTY

This software is provided 'as-is', without any express or implied warranty.

CCSTM Computing LLC shall not be liable to the Licensee or any other person for any special, consequential, indirect or other similar damages or claims including loss of profits or any other commercial damage caused or imaged to have been caused directly or indirectly by the use of the Software. In no event shall CCSTM Computing LLC have liability for damages to you or any other person exceed the price paid for the license to use the Software regardless of the form of any claim.

8. INSTALLATION / ACTIVATIONS

Each developer is required have a valid license for Software activated on a per machine basis. Each valid license includes the ability to install on two concurrent machines that are both owned and operated by the same developer. This clause has the intent to cover the Desktop and Laptop for a single developer, not to be installed on multiple machines shared by developers using the same siaqodb.lic license file.

Multiple OS installations on a single machine must also be activated per install, as long as the machine is named the same and uses the same network cards it will not count as a new install and should use the same license file.

9. ACTIVATION

Installations must be activated over the Internet via tool found inside package provided.

10. ENTIRE AGREEMENT

You acknowledge that you have read this EULA, understand it and agree to be bound by its terms and conditions. Furthermore, you agree that this is the complete and exclusive statement of agreement between us and supersedes all prior agreements, verbal or written, any proposals and other communications between us relating to the subject matter in this EULA.

END OF AGREEMENT
